### Ingredients

1/3 cup apple cider vinegar  
2 tbsp. reduced-sodium/lite soy sauce  
2 packets no-calorie sweetener (like Truvia)  
2 tsp. chopped garlic  
1/2 tsp. crushed ginger  
4 cups thinly sliced seedless cucumber (about 2 large cucumbers)  
1 cup thinly sliced onion

### Directions

In a large bowl, combine vinegar, soy sauce, sweetener, garlic, and ginger. Add 1/4 cup water. Stir until sweetener has dissolved and mixture is uniform.

Add cucumber and onion. Toss to mix.

Cover and refrigerate for at least 4 hours. (The longer it sits, the more flavorful it gets!)

Stir well, and serve with a slotted spoon.

MAKES 5 SERVINGS

**HG Tip:** Transfer to a large sealable bag before refrigerating. Then squeeze out the air, and seal. You'll get more even distribution of the marinade this way!
